

## Aerosol Dressing

**Description:** **ENHANCE** is a silicone spray formulated especially for vinyl, plastic, and rubber surfaces. **ENHANCE** quickly restores that original look to all automotive interiors and exteriors without leaving a greasy or sticky residue.

§ **Features:**

- Premium grade silicone spray
- UV protectants
- Fast drying

§ **Benefits:**

- Both a dressing and a protectant
- Reduces damage caused by the sun's ultraviolet rays
- Collects no dust

§ **Use for:**

- Interior plastic, vinyl, and rubber trim
- Exterior plastic and vinyl trim and tires
- Reaching hard to get places like air vents

§ **How to use:**

- Consult MSDS for complete safety information before using
- *Do not apply to seat bottoms, steering wheel or foot pedals.* This product can cause these surfaces to be slippery
- Shake container well before and during use
- Mist directly on areas to be treated
- Allow to air dry

§ **Tech Tip:**

- For best results, always apply to clean, dry surface
