

Since first introduced the **COLOR MATCH 66** series has been one of the greatest innovations for car dealers and detailers. The painted surface is the first thing a consumer sees when looking at a vehicle. The quality and durability of the finish is a reflection of the quality and durability of the vehicle itself. **COLOR MATCH 66** products are formulated to meet the wide-ranging requirements from elegant detailers to new and used car dealers to high speed production shops. Each **COLOR MATCH 66** product is performance matched to the correct **EDGE** pad to help achieve the optimum performance. The **COLOR MATCH 66** system is designed to enable the user to have the perfect finish with virtually no material waste and a minimal amount of cost and labor.

**COLOR MATCH 66 - THE PERFECT ROUTE TO THE PERFECT FINISH!**
