

POWDER PRE-SOAK 6004

For tunnel or wand application

Body Shop Safe

Description: This **POWDERED PRE-SOAK** is a non-streaking, fast acting, presoak with the strength to melt off bugs and road film. Once mixed, **POWDERED PRE-SOAK** stays in solution. This is a highly concentrated product and contains no fillers.

§ **Features:**

- Non-caustic, moderate pH
- Blended cleaning agents
- Concentrated formulation

§ **Benefits:**

- Won't strip wax
- Quickly cuts through tough road film and oils
- Economical to use

§ **Use for:**

- Tunnel and in-bay automatic washes
- High pressure prep guns
- Low pressure pre-soak arches

§ **How to use:**

- Consult MSDS for complete safety information before using
- Premix ½ pound of the powder with 1 gallon of water
- Dilute 1 gallon of this solution with 25 gallons of water
or
- Follow equipment manufacturer's recommendations and adjust for best results

§ **Tech Tip:**

- **POWDERED PRE-SOAK** works easily in hot or cold, hard or soft water.
