

LEATHER CLEANER 4005

pH balanced cleaner

body shop safe

Description: Our **LEATHER CLEANER** gently removes common stains, dirt and oil using a pH-balanced formula for safe, effective cleaning. **LEATHER CLEANER** penetrates and loosens dirt particles and removes stains without damaging the leather itself.

§ **Features:**

- Formulated to safely clean finished leather
- No waxes or additives
- Ph Balanced for perfect compatibility

§ **Benefits:**

- Penetrates deeply to lift out imbedded dirt.
- Pulls dirt and grease off the surface without harming the leather
- Preserves the original softness and feel of the leather

§ **Use for:**

- Leather cleaning
- Leather restoration
- Sports equipment

§ **How to use:**

- Consult MSDS for complete safety information before using
- Apply **LEATHER CLEANER** to a clean cloth and gently work the product into the surface.
- Do not scrub the area as this may cause surface damage.
- Immediately rinse the area with clean water and allow to dry.

§ **Tech Tip:**

- It is highly recommended that an application of **4006 LEATHER TREATMENT** be applied immediately after cleaning to replenish any natural oils that may have been dissolved during the cleaning process.
