

SPOT NOT

90195

Aerosol Spot Remover

body shop safe

Description: **SPOT NOT** is powerful liquid solvent blend in an aerosol can. **SPOT NOT** removes water and oil based spots and stains from carpet and upholstery. **SPOT NOT** eliminates the need for heavy rubbing and scrubbing and leaves no visible residue. **SPOT NOT** is an excellent pre-spotter prior to carpet extraction cleaning.

§ **Features:**

- Penetrating bubbling action
- Powerful solvent blend
- Excellent pre-spotting action

§ **Benefits:**

- Lifts dirt and soil out and holds in suspension
- Saves time and labor
- Eliminates heavy scrubbing

§ **Use for:**

- Upholstery and carpeting
- Water and oil based stains
- Pre-spotting before cleaning

§ **How to use:**

- Consult MSDS for complete safety information before using
- Shake container well before and during use
- Not recommended for leather
- Spray product directly on spot to be cleaned
- Lightly scrub surfaces with a sponge or upholstery brush.
- Clean area with **DISTINCTIVE DETAILS FUTURA** foaming cleaner or another quality **DISTINCTIVE DETAILS** interior cleaning product.
- Dry area completely with clean towel or cloth
- Re-vacuum areas cleaned

§ **Tech Tip:**

- Test area for color fastness before spraying entire surface.

- **Order by these numbers:**
